Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 4 items:

1. Your report does not disclose any payments for salary or wages on Schedule B supporting Line 30(b) of the Detailed Summary Page. 11 CFR §100.24 defines as Federal Election Activity, services provided by an employee of a State, district or local party committee who spends more than 25 percent of their time during that month on activities in connection with a Federal election. You are advised that payments for salaries and wages for employees who spend more than 25 percent of their compensated time in a given month on Federal Election Activity or activities in connection with a Federal election must be made with Federal funds only. Please provide clarification regarding the lack of payments for salary and wages disclosed by your committee.

2. Schedule H4 of your report discloses a payment(s) for "Purchase of Portable Outdoor Event Booth," "Non-profit booth deposit for AA Art Fair," and "Non-profit booth reg fee for AA Art Fair." 11 CFR §100.24(b) defines as Federal Election Activity, voter registration activity during the period beginning on the date that is 120 calendar days before the date that a regularly scheduled Federal election is held, and ending on the date of the election. Furthermore, the costs for this type of Federal Election Activity must either be paid with federal funds or can be allocated between federal

and Levin funds as long as the activity conducted does not refer to a clearly identified candidate for Federal office. It appears that you have allocated these costs between federal and non-federal funds. Any reimbursement from your committee's non-federal account for Federal Election Activity costs is not permissible and must be returned. 11 CFR §§300.32 and 300.33

Please inform the Commission of your corrective action immediately or provide clarifying information regarding this activity. Although the Commission may take further legal action regarding this apparent prohibited activity, your prompt action will be taken into consideration.

3. Schedule H4 of your report discloses a payment(s) for "Political buttons," "Purchase of bumper stickers," "Reimbur. for purchase of bumper stickers," "Purchase of 500 bumper stickers," "Purchase of 900 political buttons," "Purchase of yard signs," "Political buttons," and "Purchase of T-shirts" which appears to meet the definition of Federal Election Activity ("FEA") and may also meet the conditions of exempt party activity as defined under 11 CFR §§100.80, 100.87, 100.89 and 11 CFR §§100.140, 100.147 and 100.149. Please be advised that activity which simultaneously constitutes both exempt activity and FEA must be paid for as an FEA activity.

If this apparent exempt activity represents Get-out-the-vote activity conducted in connection with an election in which one or more candidates for Federal office appear on the ballot, it is considered to be Federal Election Activity. If this apparent exempt activity represents Voter Registration activity during the period that begins on the date that is 120 calendar days before the date that a regularly scheduled Federal election is held and ends on the date of the election, it is considered to be Federal Election Activity. 11 CFR §100.24 Further, Levin funds may only be used for these types of FEA if there is no reference to a clearly identified candidate for Federal office. 11 CFR §300.32(b) and (c)

If this apparent exempt activity is a public communication(s) (as defined under 11 CFR §100.26) that refers to a clearly identified candidate for Federal office and promotes, supports, attacks or opposes any candidate for Federal office, it meets the definition of Federal Election Activity under 11 CFR §100.24 and must be paid for with 100% Federal funds and disclosed on Schedule B for Line 30(b) along with the identity of the candidate(s).

Further, public communications that meet the definition of Federal Election Activity and that also contain express advocacy as defined under 11 CFR §100.22, but do not meet the conditions of exempt activity, would

28039891929

constitute an in-kind contribution, an independent expenditure or a coordinated party expenditure and should be properly disclosed on a Schedule B, E or F supporting Lines 23, 24 or 25, as appropriate.

It appears that you have allocated the costs for this activity between federal and non-federal funds. Any reimbursement from your committee's non-federal or Levin account for Federal Election Activity costs referencing a clearly identified candidate for Federal office is not permissible and must be returned. 11 CFR §§300.32 and 300.33

Please amend your report to (1) clarify whether the activity disclosed meets the conditions of exempt party activity, (2) clarify the type of FEA this activity represents or provide clarifying information as to why it does not meet the definition of FEA, and (3) inform the Commission of any corrective action immediately. In addition, please properly disclose this activity if necessary.

4. Your report discloses limited payments for administrative expenses. Administrative expenses are payments made for the purpose of operating a political committee including, but not limited to, rent, utilities, salaries, telephone service, office equipment and supplies. Each state, district or local party committee utilizing separate federal and non-federal accounts is required to allocate any administrative expenses (excluding salary) between the accounts according to a fixed percentage selected on Schedule H1. A Schedule H1 must be filed with the first FEC FORM 3X filed at the beginning of each calendar year. Payments for salary and wages for employees who spend more than 25% of their compensated time on Federal election activities or on activities in connection with a Federal election must be made from a federal account and disclosed on a Schedule B supporting Line 30(b) of the Detailed Summary Page. 11 CFR §106.7

Any goods or services provided to your committee by a person, except volunteer activity (i.e., a person's time), would be considered an in-kind contribution from that person, and would be subject to the disclosure requirements of 2 U.S.C. §434(b)(3) and 11 CFR §104.13, and the limitations and prohibitions of 2 U.S.C. §§441a and 441b.

Clarification regarding administrative expenses should be provided during each two year election cycle beginning with the first report filed in the non-election year. Please provide the necessary information regarding administrative expenses incurred by your committee and/or amend your report to disclose such expenses according to the referenced provisions of the Act and Commission Regulations.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. Requests for extensions of time in which to respond will not be considered.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
